80% 1st use barrels & 20% 2nd use barrels.

Winemaker: Mariano Di Paola

Winemaker's Notes: The grapes used to make this wine come from our vineyards in Altamira, from a plot classified as Malbec clone 104, which is a selection of 26 different Malbec Grapes with very low yields. The grapes are harvested at the perfect time of maturation to get a wine with concentrated floral aromas like lavender and violet, combined with chocolate and toast notes. It is very well rounded with a long fresh finish.
