TASTING NOTES

It is a wine of great intensity of color with red nuances, intense red with ruby hues. On the nose this wine presents a wide aromatic range of ripe black fruits, nuts and herbs, accompanied by a touch of vanilla due to time in contact with oak. In the mouth, the flavors perceived in the nose, vanilla and chocolate, reappear. A balanced wine with a long textured finish.

Serving temperature: 17°C / 19°C

Aging potential: 5 years
